Powerful Storm Arrives in California

Audio with Ryan Jacobsen, CEO, Fresno County Farm Bureau, and David Spector, National Weather Service

The most powerful snow and rain storm of the season is welcome news for many California farmers. Up until now, it's been a very dry winter in California's San Joaquin Valley and elsewhere in the Golden State. Ryan Jacobsen, CEO Executive Director of the Fresno County Farm Bureau...tape

Cut 1 :10 OC..."that season"

California farmers rely heavily on snow runoff in the spring to make its way into reservoirs and later used for irrigation. National Weather Service meteorologist David Spector says this week's storm could dump a lot of snow in the Sierra Nevada Mountains...tape

Cut 2 :11 OC..."7,000 feet"

Following this weekend, another storm might hit California by the middle of next week.
