

Today is _____, _____ the _____. This is Ken Morgan's Northcoast Ag Report, our lead story is about _____ when we return

- [Vice President Pence Helps USDA Mark Ag Day](#)
Vice President Mike Pence conveys the highlights of President Trump's Ag Day proclamation, at a speech at USDA.
- [So-Cal Braces for Heavy Rains, Potential Mudslides](#)
A deluge of precipitation in Southern California this week could trigger mudslides and flash flooding, especially in the coastal ranges of the region.

California Storms Recharging the State's Water Supply

Audio with Gary Serrato, General Manager, Fresno Irrigation District

More rain and snow for California is in the forecast this week. Up until March, California was headed to one of the driest years on record. However, it's now a different story. Gary Serrato, General Manager of the Fresno Irrigation District, says even with several March storms, the state still has a lot catching up to do...tape

Cut 1 1:09 OC..."percent year"

That was Gary Serrato, General Manager of the Fresno Irrigation District. California farmers depend greatly on water from snowmelt making its way into rivers and reservoirs.
